JOINT MOTION FOR LEAVE TO FILE OVERSIZED EXHIBITS IN PAPER FORM

The parties move jointly for an order granting them leave to file an exhibit in paper form. The exhibit consists of eleven sheets of an oversized map and aerial photographs with markings on them. Each sheet is 24 by 36 inches. The parties propose to file a single copy of the exhibit rolled up in a shipping tube. The outside of the tube would have a label stating the case name and number, the exhibit number, and the fact that the exhibit accompanies the (proposed) final judgment.

Simultaneous with the filing of this motion, the parties are filing a Joint Motion for Approval of Settlement, Confirmation of Disclaimer, and Entry of Consent Decree and Final Judgment. The settlement would result in quieting in the State of Alaska a highway right-of-way. The location of that right-of-way is described with reference to markings on the aerial photos in the exhibit, pending the completion of a final survey.

Alaska v. US, 3:05-cv-0073 (RRB)  
Mot. to File Paper Exhibit

The aerial photos include too much information to be filed electronically. The parties have been unable to identify a practicable alternative to filing the exhibit in paper form.

Counsel for the State of Alaska and Doyon, Limited have authorized the undersigned to file this motion as the joint motion of the parties. A proposed order accompanies this motion.

RESPECTFULLY SUBMITTED this 8<sup>th</sup> day of January, 2007, at Anchorage, Alaska.
